

Help Samaritan Ministries TACKLE HUNGER

Super Bowl 2021 is scheduled for February 7, 2021 and it is the hope that our community will be back to normal by then. However, it is possible that people will still only be able to gather in small groups or perhaps only with their family. Over 140 million people will watch football and eat. A great deal of food will be thrown out while neighbors and friends experiencing homelessness and poverty will go to bed hungry. Again.

Souper Bowl of Caring, established in 1990, is a national effort to end hunger.

While it is challenging to know how to help during a pandemic,

WE OFFER SOME SUGGESTIONS ON HOW TO PARTICIPATE IN SOUPER BOWL OF CARING 2021:

Contact youth leaders of your church and ask them to collect \$ within their family or youth group.

Are you involved with a Civic group, club or neighborhood association? Ask them to consider making a donation to Souper Bowl of Caring.

E-mail a challenge to your friends and family to make an on-line donation at samaritanforsyth.org

Post pictures of your own Super Bowl party on Social Media and share the story of Samaritan Ministries.

For additional information and materials, visit the official Souper Bowl website at superbowl.org.

If you would like a Samaritan Ministries representative to speak virtually to your group about hunger in our community, please contact Alex Jarrell, marketing director, at alex.jarrell@samaritanforsyth.org or call 336-448-2668.
