2020 Honor Roll of Donors

Sonjia Kurosky Project Cornerstone Endowed Fund

As longtime executive director Sonjia Kurosky retired in 2020, the Project Cornerstone program that she and her team created in 1995 celebrated 25 years of helping homeless men have a second chance at life. Cornerstone men live at Samaritan for 12 to 18 months while working to overcome addictions to alcohol and/or drugs, and to develop the life skills to become self-sufficient. To honor Sonjia and to ensure that Samaritan's lifelong commitment to Cornerstone graduates continues for years to come, the following donors contributed to an endowed fund at the Winston-Salem Foundation.
