

Samaritan Sunday

Join us for a day of compassion and hope as we invite your church to participate in Samaritan Sunday as part of our Annual Penny Campaign and National Hunger and Homelessness Awareness Week. This is a heartfelt opportunity to come together to spread unity, love, and support for our hungry and homeless neighbors in Winston-Salem.

Sunday, November 19th

Ways to Participate:

- **Give** a mission moment about hunger, homelessness and ways to engage in our work.
- **Invite** a church member to share their volunteer experience at Samaritan in a short video before the service.
- **Encourage** church members to volunteer. We have a new evening shift and need extra hands!
- **Offer a special** prayer for the health, safety and permanent housing for our guests.
- **Participate** in Penny Campaign by creating a campaign online or through a special offering.
