

Mission: Providing food, shelter, and hope through Christian love.

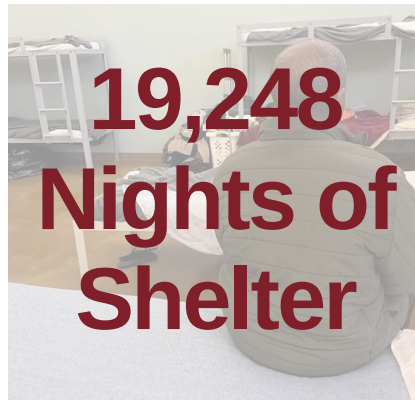

“Thank you for giving your time, talent and treasure to impact individual lives. Men who seek shelter have hit rock bottom with nowhere else to turn. Individuals and families who eat in the Soup Kitchen truly don’t know where their next meal is coming from. You help create a safe and loving place where people are valued and able to move forward with their lives.” -- Jan Kelly, Executive Director, Samaritan Ministries

Volunteers are the heartbeat of our organization, infusing it with passion, dedication, and an invaluable human touch that amplifies our mission. Their dedication is a vibrant and essential part of our outreach to the homeless community. In addition to preparing and serving lunch and dinner to our guests, they also pick up groceries for our kitchen.

COMMUNITY PARTNERSHIP

Since 2018, **United Health Centers** has given access to free health care and an opportunity to develop a primary care physician relationship to people experiencing homelessness. The clinic provided free medical treatment with **187 visits in 2023, a 34% increase over 2022.**

THE IMPACT OF YOUR SUPPORT

Brian C., a retired firefighter, came to Samaritan Ministries after experiencing a broken relationship, being abandoned and his monthly pension stolen. These events lead to a suicide attempt and him refusing treatment for health issues which were later diagnosed as cancer. He was released from a mental health treatment facility with nowhere to go. He found Samaritan Ministries, and a friend in our Assistant Director Marcus Houston.

They met on a regular basis and he began his cancer treatments, secured his pension payments, and with Marcus's assistance he was able to find a stable home on his own.

*Thank
you!*

Forty-three years ago, our founders were inspired by the words of Jesus in Matthew 25:35. By showing love and compassion through the very basic needs of food and shelter, we give encouragement, hope and healing to those in need. We are grateful for our community of Good Samaritans who give their time, talent and treasure each year to ensure we fulfill our mission.
